### Leading European Funeral Vehicle Dealer Signs Exclusively with Accubuilt

**Lima, Ohio**, March 10, 2008 – Accubuilt, Inc. has finalized an agreement with De Ras Import to exclusively distribute its *S&S*, *Superior* and *Eureka* vehicles in Belgium, France, Germany, Italy, Luxemburg, Poland and Spain. Headquartered in Belgium, De Ras Import is one of Europe's oldest and most prominent funeral vehicle dealers who is very experienced in the marketing of American funeral vehicles.

Willy De Ras, the Chairman and President of De Ras Import, described his excitement with the new arrangement by noting that "We are delighted to be able to offer the high-quality *S&S*, *Superior* and *Eureka* funeral vehicles to an attractive region of the European funeral profession". Lynn De Ras, Vice President of De Ras Import, indicated that "The outstanding quality of the Accubuilt vehicles and the professional support provided by the Accubuilt organization convinced us to make the change to Accubuilt. The newly-developed *Superior Statesman L6*, six-passenger, family-style hearse was just one example of the outstanding funeral vehicle offerings we think will be ideal for the European market."

Accubuilt Chairman and Chief Executive Officer Greg Corona, welcomed the De Ras Import organization to Accubuilt's expanding international dealer network. "Our strategy for all of the funeral markets we serve is to have Accubuilt vehicles exclusively distributed by the finest dealers in the world. The addition of De Ras Import to our dealer network represents the third international dealer to join our organization during the past six months and is another step in implementing our world-wide strategy to Europe."

Mr. Corona also noted that "De Ras Import represents another example of Accubuilt's world-wide, full commitment to the funeral profession as we continue to provide leading product innovation, quality and service. Our funeral vehicle brands are recognized by funeral professionals around the world for their dignified style, functional designs, quality and resale value".

Accubuilt's industry-leading funeral vehicles consist of the *S&S, Superior and Eureka* brands, as well as other high-quality, specialty vehicles manufactured under the *DaBryan, Tuscany* and *Accubuilt* brand names. Accubuilt, Inc. has manufacturing facilities in Lima, Ohio; Springfield, Missouri; and Elkhart, Indiana. The Company's specialty vehicle offerings are certified and approved by the Cadillac Master Coachbuilder program, Lincoln Quality Vehicle Manufacturer program, Ford Truck Quality Program and the National Mobility Equipment Dealers Association.
