Lima, Ohio, December 1st, 2008 Accubuilt, Inc. announced that Dennis Brummitt has been appointed Warranty Administrator for the Company's Specialty Vehicle Division, effective December 1, 2008. In that role, he will be responsible for warranty claim management, reporting and dealer and customer interface regarding warranty and policy administration for Lima built vehicles. Dennis will report to Derek Henry.

The announcement was made by Stan Bucrek, Accubuilt's Vice President – Quality Assurance, who noted that “Dennis brings valuable experience to this position from his most recent assignments in coach production, and past experience at Accubuilt, Lima and Eureka, Norwalk. Over the past 18 years he has worked in all areas of vehicle assembly, painting and metal finishing; he has also advised field personnel regarding technical issues in the past.

Dennis began his career at Accubuilt in 1999 and has held positions both as a supervisor and a production associate. He is currently pursuing a degree in Business Administration at Rhodes State College.

Dennis and his family reside in the Lima area. Please extend your usual cooperation to Dennis and welcome him to the Accubuilt Quality Assurance team.
