Accubuilt Vehicles Receive Major Recognition from LCT Magazine

Lima, Ohio, January 22, 2008, - Limousine & Chauffeured Transportation Magazine, widely regarded as "the voice of the chauffeured transportation profession", has significantly honored Accubuilt, Inc. in its December, 2007 edition. In their annual look at exciting, new, chauffeured transportation vehicles of note, LCT editors chose three Accubuilt vehicles out of a total of only fifteen highlighted in the "Your 2008 Dream Vehicles are Here!".

Accubuilt Chairman Greg Corona commented that "we are very pleased that three Accubuilt manufactured vehicles made what's considered our industry's 'Hottest 15 New Products for 2008' list. It demonstrates the diversity of our product offerings as well as the significant market recognition of our strong brand names".

The three Accubuilt, Inc. 2008 vehicles recognized by LCT are the Accubuilt brand W.P. Chrysler Executive Series 300 long wheelbase livery sedan, the DaBryan Coach Builders brand LXT Luxury Transport, and the Tuscany luxury shuttle van. DaBryan Coach Builders and Tuscany Automotive Solutions are Accubuilt, Inc. companies.

Accubuilt's strong brand lineup also includes the S&S Coach Company, Superior Coaches, and Eureka Coach brands while the company boasts a history of quality products and exemplary customer service dating continuously from 1876.

LIMA, OHIO • SPRINGFIELD, MISSOURI • ELKHART, INDIANA

Mr. Corona also noted that "Accubuilt is totally dedicated to the chauffeured transportation profession and our vehicle lineup leads the industry in quality, innovation and after-the-sale customer service. We have invested more in quality people, modern technology and manufacturing infrastructure than any competitor. As a result, we have the strongest organization producing the strongest brands serving our industry. Those brands are recognized around the world by operators who insist upon leading edge style, functional designs, top quality, reliability and high resale values".

Accubuilt, Inc. has major manufacturing facilities in Lima, Ohio; Springfield Missouri; and Elkhart, Indiana. The Company's diverse products are certified and approved, as applicable, by the Cadillac Master Coachbuilder program, the Lincoln Quality Vehicle Manufacturer program, the Ford Truck Quality Program and by the National Mobility Equipment Dealers Association.
