**Lima, Ohio, January 24, 2008.** Accubuilt, Inc. has announced that Randy Buck has accepted the position of Division Controller – Specialty Vehicle Division. Prior to this promotion, Mr. Buck served as an Accounting Controller at the Lima facility. Mr. Buck is replacing Dale Schroeder who recently resigned to pursue other career opportunities. Responsibilities for Mr. Buck include all of the accounting and finance functions of the Specialty Vehicle Division in addition to the corporate accounting responsibilities for Accubuilt, Inc.

The announcement was made by Kevin Grady, Accubuilt's Executive Vice President and Chief Financial Officer, who commented that, "The Accubuilt team is excited to have Randy accept this position and expand his leadership role within the Company. Randy's personal drive for continuous improvement, leadership style and his systems and control experience will be an immediate asset to the Division's future success.

Mr. Buck earned a Bachelor of Arts degree in Computer Science from the University of Findlay and his MBA from Tiffin University in Tiffin, Ohio.

Upon the news of his promotion, Mr. Buck noted that, "I am looking forward to the challenges of my new responsibilities and working with the management team in the continued success of building specialty vehicles. By working together with all departments, we will all succeed."

Accubuilt is the world's premier builder of automotive specialty vehicles, manufacturing products under the S&S Coach, Superior Coaches, DaBryan, Tuscany, Eureka and Accubuilt brand names.
